Envision shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

Envision shall review the Code of Conduct at least annually to determine if revisions are appropriate and shall make any necessary revisions based on such review. The Code of Conduct shall be distributed at least annually to all Covered Persons.
2. **Policies and Procedures.** Within 90 days after the Effective Date, Envision shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and Envision’s compliance with Federal health care program requirements (Policies and Procedures). The Policies and Procedures also shall address:

   a. 42 U.S.C. § 1320a-7b(b) (Anti-Kickback Statute) and and the regulations and other guidance documents related to this statute, and business or financial arrangements or contracts that generate unlawful Federal health care program business in violation of the Anti-Kickback Statute; and

Within 90 days after the Effective Date, the Policies and Procedures shall be distributed to all Covered Persons. Throughout the term of this CIA, Envision shall enforce and comply with its Policies and Procedures and shall make such compliance an element of evaluating the performance of all employees.

At least annually (and more frequently, if appropriate), Envision shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions or addition of new Policies and Procedures, a description of the revisions shall be communicated to all affected Covered Persons and any revised or new Policies and Procedures shall be made available to all Covered Persons.

C. **Training and Education**

1. **Training Plan.** Within 90 days after the Effective Date, Envision shall develop a written plan (Training Plan) that outlines the steps Envision will take to ensure that: (a) all Covered Persons receive adequate training regarding Envision’s CIA requirements and Compliance Program, including the Code of Conduct and an overview of the Anti-Kickback Statute and how this statute could apply to Envision’s business (General Training) and (b) all Arrangements Covered Persons receive adequate training regarding: (i) Arrangements that potentially implicate the Anti-Kickback Statute, as well as the regulations and other guidance documents related to this statute; (ii) Envision’s policies, procedures, and other requirements relating to Arrangements and Focus Arrangements, including but not limited to the Focus Arrangements Tracking System, the internal review and approval process, and the tracking of remuneration to and from sources of health care business or referrals required by Section III.D of the CIA; (iii) the personal obligation of each individual involved in the development, approval,
management, or review of Envision’s Arrangements to know the applicable legal requirements and the Envision’s policies and procedures; (iv) the legal sanctions under the Anti-Kickback Statute; and (v) examples of violations of the Anti-Kickback Statute.

The Training Plan shall include information regarding the training topics, the identification of Covered Persons and Arrangements Covered Persons required to attend each training session, the length of the training, the schedule for training, and the format of the training. Within 30 days of the OIG’s receipt of Envision’s Training Plan, OIG will notify Envision of any comments or objections to the Training Plan. Absent notification by the OIG that the Training Plan is unacceptable, Envision may implement its Training Plan. Envision shall furnish training to its Covered Persons and Arrangements Covered Persons pursuant to the Training Plan during each Reporting Period.

2. **Board Member Training.** Within 90 days after the Effective Date, Envision shall provide at least two hours of training to each member of the Board of Directors. This training shall address Envision’s CIA requirements and Compliance Program (including the Code of Conduct), the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board of Directors shall receive the Board Member Training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. **Certification.** Each individual who is required to attend training shall certify, in writing or in electronic form, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials.

4. **Qualifications of Trainer.** Persons providing the training shall be knowledgeable about the subject area.

5. **Update of Training Plan.** Envision shall review the Training Plan annually, and, where appropriate, update the Training Plan to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the Arrangements Review, and any other relevant information. Any updates to the Training Plan shall be implemented during each Reporting Period.
Plan must be reviewed and approved by the OIG prior to the implementation of the revised Training Plan. Within 30 days of OIG’s receipt of any updates or revisions to Envision’s Training Plan, OIG will notify Envision of any comments or objections to the revised Training Plan. Absent notification from the OIG that the revised Training Plan is unacceptable, Envision may implement the revised Training Plan.

6. **Computer-based Training.** Envision may provide the training required under this CIA through appropriate computer-based training approaches. If Envision chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. **Compliance with the Anti-Kickback Statute**

1. **Focus Arrangements Procedures.** Within 90 days after the Effective Date, Envision shall create procedures reasonably designed to ensure that each existing and new or renewed Focus Arrangement does not violate the Anti-Kickback Statute or the regulations, directives, and guidance related to this statute (Focus Arrangements Procedures). These procedures shall include the following:

Kickback Statute, (ii) a process for specifying the business need or business rationale for all Focus Arrangements, and (iii) a process for determining and documenting the fair market value of the remuneration specified in the Focus Arrangement (if applicable);

f. requiring the Compliance Officer to review the Focus Arrangements Tracking System, internal review and approval process, and other Focus Arrangements Procedures on at least an annual basis and to provide a report on the results of such review to the Compliance Committee; and

g. implementing effective responses when suspected violations of the Anti-Kickback Statute are discovered, including disclosing Reportable Events and quantifying and repaying Overpayments pursuant to Sections III.I and III.J when appropriate.

2. **New or Renewed Focus Arrangements.** Prior to entering into new Focus Arrangements or renewing existing Focus Arrangements, in addition to complying with the Focus Arrangements Procedures set forth above, Envision shall comply with the following requirements (Focus Arrangements Requirements):

   a. Ensure that each Focus Arrangement is set forth in writing and signed by Envision and the other parties to the Focus Arrangement;

   b. Include in the written agreement a requirement that each party to a Focus Arrangement who meets the definition of a Covered Person shall complete at least one hour of training regarding the Anti-Kickback Statute and examples of arrangements that potentially implicate the Anti-Kickback Statute. Additionally, Envision shall provide each party to the Focus Arrangement with a copy of its Code of Conduct and Anti-Kickback Statute Policies and Procedures; and

   c. Include in the written agreement a certification by the parties to the Focus Arrangement that the parties shall not violate the Anti-Kickback Statute with respect to the performance of the Arrangement.

3. **Focus Arrangements Tracking System Verification and Certification.**

Envision Corporate Integrity Agreement

The Compliance Officer shall provide an explanation for: (1) any Focus Arrangements found to have been missing from the Focus Arrangements Tracking System; and (2) any entries in the Focus Arrangements Tracking System found to have been incomplete or inaccurate.

4. **Records Retention and Access.** Envision shall retain and make available to OIG, upon request, the Focus Arrangements Tracking System and all supporting documentation of the Focus Arrangements subject to this Section and, to the extent available, all non-privileged communications related to the Focus Arrangements and the actual performance of the duties under the Focus Arrangements.

E. **Review Procedures**

1. **General Description.**

   a. *Engagement of Legal Independent Review Organization.* Within 90 days after the Effective Date, Envision shall engage a legal entity (or entities), (hereinafter “Legal Independent Review Organization” or “Legal IRO”), to perform the reviews listed in this Section III.E. The applicable requirements relating to the Legal IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. *Retention of Records.* The Legal IRO and Envision shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the Legal IRO and Envision) related to the reviews.

   c. *Responsibilities and Liabilities.* Nothing in this Section III.E affects Envision’s responsibilities or liabilities under any criminal, civil, or administrative laws or regulations applicable to any Federal health care program including, but not limited to, the Anti-Kickback Statute.

2. **Focus Arrangements Review.** The Legal IRO shall perform a Focus Arrangements Review and prepare a Focus Arrangements Review Report as outlined in Appendix B to this CIA, which is incorporated by reference.
3. **Validation Review.** In the event OIG has reason to believe that: (a) any Focus Arrangements Review fails to conform to the requirements of this CIA; or (b) the Legal IRO’s findings or Focus Arrangements Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Focus Arrangements Review complied with the requirements of the CIA and/or the findings or Focus Arrangements Review results are inaccurate (Validation Review). Envision shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of a Focus Arrangements Review submitted as part of Envision’s final Annual Report shall be initiated no later than one year after Envision’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Envision in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. Envision shall have 30 days following the date of the OIG’s written notice to submit a written response to OIG that includes any additional or relevant information to clarify the results of the Focus Arrangements Review or to correct the inaccuracy of the Focus Arrangements Review and/or propose alternatives to the proposed Validation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. **Certification Regarding Legal IRO’s Relationship to Envision.** The Legal IRO shall include in its report(s) to Envision a certification that the Legal IRO: (1) has not previously represented or been employed or engaged by Envision; and (2) does not have a relationship to Envision or its employees, officers, or directors that would cause a reasonable person to question the Legal IRO’s impartiality.

F. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, Envision shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Arrangements (as defined in Section II.C.1 above). The risk assessment and internal review process should require compliance, legal and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Envision shall maintain the risk assessment and internal review process for the term of the CIA.

G. **Disclosure Program**
Within 90 days after the Effective Date, Envision shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Envision’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Envision shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably:

(1) permits a determination of the appropriateness of the alleged improper practice; and
(2) provides an opportunity for taking corrective action, Envision shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

H. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health

b. Envision shall screen all current Covered Persons against the Exclusion Lists within 90 days after the Effective Date and thereafter shall screen against the LEIE on a monthly basis and screen against SAM on an annual basis.

c. Envision shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section III.H affects Envision’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Envision understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs or in Federal procurement or nonprocurement programs; or
care programs and that Envision may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Envision meets the requirements of Section III.H.

3. **Removal Requirement.** If Envision has actual notice that a Covered Person has become an Ineligible Person, Envision shall remove such Covered Person from responsibility for, or involvement with, Envision’s business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. **Pending Charges and Proposed Exclusions.** If Envision has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or, Envision shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

I. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, Envision shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Envision conducted or brought by a governmental entity or its agents involving an allegation that Envision has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Envision shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

1. **Definition of Overpayments.** For purposes of this CIA, an “Overpayment” shall mean the amount of money Envision has received in excess of the amount due and payable under any Federal health care program requirements.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, Envision shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.
3. **Repayment of Overpayments.**

   a. If, at any time, Envision identifies any Overpayment, Envision shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified, within 60 days after identification, Envision shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.

   b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

K. **Reportable Events**

   1. **Definition of Reportable Event.** For purposes of this CIA, a “Reportable Event” means anything that involves:

      a. a substantial Overpayment;

      b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

      c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.H.1.a; or

      d. the filing of a bankruptcy petition by Envision.

A Reportable Event may be the result of an isolated event or a series of occurrences.
2. **Reporting of Reportable Events.** If Envision determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Envision shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.K.1.a.** For Reportable Events under Section III.K.1.a, the report to OIG shall be made within 30 days after making the determination that a substantial Overpayment exists and shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions, or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. the Federal health care programs affected by the Reportable Event;

   c. a description of the steps taken by Envision to identify and quantify the Overpayment; and

   d. a description of Envision’s actions taken to correct the Reportable Event and prevent it from recurring.

   Within 60 days of identification of the Overpayment, Envision shall provide OIG with a copy of the notification and repayment (if quantified) to the payor required in Section III.J.3.

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine and/or request copies of Envision’s books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Envision’s locations for the purpose of verifying and evaluating: (a) Envision’s compliance with the terms of this CIA; and (b) Envision’s compliance with the requirements of the Federal health care programs. Envision’s Covered Persons may elect to be interviewed with or without a representative of Envision present.

**VIII. DOCUMENT AND RECORD RETENTION**

Envision shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

**IX. DISCLOSURES**

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Envision prior to any release by OIG of information submitted by Envision pursuant to its obligations under this CIA and identified upon submission by Envision as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Envision shall have the rights set forth at 45 C.F.R. § 5.65(d).

**X. BREACH AND DEFAULT PROVISIONS**

Envision is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Envision and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Envision fails to establish and implement any of the following obligations as described in Sections III and IV:
   a. a Compliance Officer;
   b. a Compliance Committee;
c. the Board of Directors compliance obligations and the performance of a Compliance Program Review, and the preparation of a Compliance Program Review Report, as required by Section III.A.3;

d. the management certification obligations;

e. a written Code of Conduct;

f. written Policies and Procedures;

g. the development and/or implementation of a Training Plan for the training of Covered Persons, Arrangements Covered Persons, and Board Members;

h. the Focus Arrangements Procedures and/or Focus Arrangements Requirements described in Sections III.D.1 and III.D.2;

i. a risk assessment and internal review process as required by Section III.F;

j. a Disclosure Program;

k. Ineligible Persons screening and removal requirements;

l. notification of Government investigations or legal proceedings;

m. policies and procedures regarding the repayment of Overpayments;

n. the repayment of Overpayments as required by Section III.J and Appendix B;

o. reporting of Reportable Events; and

p. disclosure of changes to business units or locations.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Envision fails to engage and use a Legal IRO, as required by Section III.E, Appendix A, or Appendix B.
3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Envision fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Envision fails to submit any Focus Arrangements Review Report in accordance with the requirements of Section III.E and Appendix B.

5. A Stipulated Penalty of $1,500 for each day Envision fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Envision fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Envision as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day Envision fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Envision stating the specific grounds for its determination that Envision has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Envision shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Envision receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

Envision may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Envision fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Envision fails to meet the revised deadline set by OIG.
begin to accrue until three days after Envision receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Envision has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Envision of: (a) Envision’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, Envision shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Envision elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Envision cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Envision has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:
a. a failure by Envision to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.K;

b. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an Legal IRO in accordance with Section III.E, Appendix A, or Appendix B.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by Envision constitutes an independent basis for Envision’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Envision has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Envision of: (a) Envision’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. Opportunity to Cure. Envision shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30-day period, but that: (i) Envision has begun to take action to cure the material breach; (ii) Envision is pursuing such action with due diligence; and (iii) Envision has provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If, at the conclusion of the 30-day period, Envision fails to satisfy the requirements of Section X.D.3, OIG may exclude Envision
from participation in the Federal health care programs. OIG shall notify Envision in writing of its determination to exclude Envision. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Envision’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Envision may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to Envision of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Envision shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Envision was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Envision shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Envision to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Envision requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of
OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Envision was in material breach of this CIA and, if so, whether:

   a. Envision cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Envision’s receipt of the Notice of Material Breach: (i) Envision had begun to take action to cure the material breach; (ii) Envision pursued such action with due diligence; and (iii) Envision provided to OIG a reasonable timetable for curing the material breach.

   For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Envision, only after a DAB decision in favor of OIG. Envision’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Envision upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Envision may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Envision shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Envision, Envision shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**
Envision and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Envision’s obligations under this CIA based on a certification by Envision that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Envision is relieved of its CIA obligations, Envision shall be required to notify OIG in writing at least 30 days in advance if Envision plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Envision’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Envision signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.
